UNLESS YOU REPORT HOUSING DISCRIMINATION, IT WON'T STOP.

Discrimination isn't always this obvious. But it is just as hurtful and illegal. Here are possible signs you might hear from a landlord:

"There's a lot of traffic. It isn't safe for kids."

"The apartment I told you about on the phone has already been rented."

"My insurance won't cover a ramp if you get hurt."

"We only take English speaking people."

"The ad is wrong. The rent is really \$75 higher per month."

"Steps are what we have. We can't accommodate a walker."

IF YOU SUSPECT HOUSING DISCRIMINATION, PLEASE REPORT IT.

A public service message from the U.S. Department of Housing and Urban Development in partnership with the National Fair Housing Alliance.
