

**FY 2025 - 2026 2nd Quarter
Development Activity Report
January-March**

Department Updates

- Drafted, presented, and edited the two moratoriums for City Councils consideration.
- Coordinated and met with Lennar regarding Riverfront Estates on Jones Fish Camp. City staff are waiting on a new grading plan to address the bypass swale.
- Received appraisals for a few select properties along Park Avenue to be acquired to help facilitate the redevelopment of Park Avenue into a “main street”.
- Received appraisals for the Washington Park North properties. City Staff are performing a cost benefit analysis of property acquisition and the creation of additional stormwater capacity in Florida Shores.
- The new Development Services Office at 2140 S Riverside Drive is complete. Last item before moving into the new office is the transfer of phones. City staff anticipate relocating to the new location in February.
- Met with the County and Oak Hill’s new City Administrator regarding amending the ISBA. City staff have come to an agreement regarding the boundary with the City of Oak Hill and Volusia County. Staff will be presenting the boundary to receive public input during the comprehensive plan community workshops.
- Prepared the timeline and solidified dates for all public hearings for updating the Comprehensive Plan. Distributed in the December utility bill a flyer for the upcoming dates and times for community workshops.

DETAILS

TOPICS TO BE DISCUSSED:

Utilities Element- Typically the utilities element outlines and maintains the potable water, sanitary water, groundwater, solid waste, and stormwater.

Intergovernmental Coordination Element- Typically the intergovernmental element outlines and maintains the coordination and cooperation between the City of Edgewater and surrounding state, local, and regional entities and agencies. Some examples of this coordination would be the Volusia County Growth Management, School Board Coordination, and River to Sea Transportation Planning Organization.

Capital Improvement Element- Typically the recreation and open space element outlines the approach to provide parks and open spaces to a community. This can include scenic, cultural, environmental, and historical elements.

Public School Facilities Element- Typically the public school facilities element outlines the coordination and collaboration with the Volusia County School Board to ensure the needs of the community are met based on the goals for the public education system.

The Event Will Have A Kids Activity Station.

PROJECT WEBSITE: WWW.CITYOFEDGEWATER.ORG

- Public Education Seminars
 - Thursday and Friday's Presentation will cover the basics of planning.
 - Saturday's meeting will discuss what is a comprehensive plan.
- The Kickoff Presentation
 - Will cover an overview of City demographics, City infrastructure projects, a review of all permitted projects, and those under review.
- Community Workshops
 - Will address different elements within the Comprehensive Plan. These workshops will be composed of activities for staff to gather information regarding the vision for the City
